

What is Kid Ease?

Kid Ease Child Care Center, Inc. is a non-profit corporation founded by employees of Cal/EPA and is governed by a Board of Directors. The Board is elected by the membership for one or two year terms. Kid Ease leases the child development center site from Department of General Services, is responsible for the selection and oversight of a child development provider, and is financially responsible for any permanent improvements made to the center and material goods used by the center (e.g. kitchen equipment, washer/dryer, etc.) that may be necessary for the continued operation of a child development facility. To do this the Officers and Directors of Kid Ease (all volunteers) meet on the second Tuesday of each month (at noon in Cal EPA conference room 110) to identify facility needs, discuss issues, and organize fundraising activities that support the operation of the child development center. Please feel free to contact the Board of Directors if you have any questions, concerns, or comments. For more information see <http://www.kid-ease.org/>
